Details of the documents mentioned in items (i), (ii), (iii), (iv) and (vi) are given below :—

(i) TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE.—The amount may be deposited in the nearest Government Treasury, or in a branch of the State Bank of India, or in a State Treasury authorised to transact business on behalf of Government (Amount deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the State Bank of India). The Treasury or Bank should be asked to credit it to the account head "XXI-Miscellaneous Department Examination fees, Receipts of the Union Public Service Commission". The name of the examination and of the treasury at which the fee is deposited should be clearly entered in the treasury receipt. The treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited. If, however, the blue form is not available in the treasury the ordinary form hitherto employed should be used.

All Postal Orders should bear the signature of the issuing Post Master and a clear stamp of the issuing Post Office. All Postal Orders should be CROSSED and filled in as follows :—

"Pay to the Secretary, Union Public Service Commission, at New Delhi Post Office."

In no case will postal orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

NOTE 1.—Candidates residing abroad at the time of submitting their applications should deposit the amount of the prescribed fee (the equivalent of Rs. 37.50 paise, Rs. 9.37 paise in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes) in the office of India's High Commissioner, Ambassador or Representative, as the case may be, in that country and forward the receipt from that office with the application.

NOTE 2.—AN APPLICATION NOT ACCOMPANIED BY A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE WILL BE SUMMARILY REJECTED.

This does not apply to displaced persons from East Pakistan, who have migrated to India on or after January 1, 1964, and are seeking remission of the prescribed fee, vide paragraph 3 of Appendix I to the Rules.

NOTE 3.—A candidate must send the Treasury Receipt, in original, along with his application. Duplicate/triplicate copies of the Treasury Receipt will not be accepted.

(ii) CERTIFICATE OF AGE.—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised

by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age and it must invariably be sent to the Commission in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

NOTE 3.—Displaced persons, who have lost their original Matriculation certificate in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

(iii) CERTIFICATE OF CHARACTER.—A candidate must submit a certificate of character, in original, together with a copy thereof, from some person in authority (e.g. Principal, Proctor, Dean, etc.) at an educational institution which the candidate is attending or has attended for at least one year during the three years immediately preceding the date of his application.

The signatory of the certificate should give his designation in full.

NOTE 1.—A candidate who has not attended any educational institution for at least one academic year within three years immediately preceding the date of his application may submit a certificate of character, in original, with a copy thereof, from a Gazetted Officer in service.

NOTE 2.—Only one certificate of character is required.

(iv) CERTIFICATE OF EDUCATIONAL QUALIFICATION.—A candidate must submit a certificate or diploma in original, with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e., University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

If the University Certificate of passing the Intermediate or any other qualifying examination submitted by a candidate in support of his educational qualifications does not indicate all the subjects passed, a certificate from the Principal showing that he has passed the qualifying examination with Mathematics and at least one of the subjects Physics and Chemistry, must be submitted.

(v) A candidate covered by Note 1 to paragraph 11 in the rules must submit a certificate from the Principal/Headmaster of the institution from where he passed the

examination showing that his aggregate of marks falls within the range of marks for first or second division as prescribed by the University/Board.

NOTE.—A candidate who has appeared at an examination the passing of which would render him eligible to appear at the examination but has not been informed of the result, may apply, for admission to the examination. A candidate who intends to appear at such a qualifying examination may also apply provided that the qualifying examination is completed before the commencement of this examination. Such a candidate will be admitted to the examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if he does not produce proof of having passed the examination, as soon as possible and in any case not later than two months after the commencement of this examination.

(vi) TWO COPIES OF PHOTOGRAPH.—A candidate must submit two passport size (5 cm.×7 cm. approx.) copies of his recent photograph, one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front side by the candidate.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled in or is not accompanied by any one of the documents mentioned under 4(ii), 4(iii), 4(iv), 4(v) and 4(vi) above without a reasonable explanation for its absence having been given the application is liable to be rejected and no appeal against its rejection will be entertained. The documents not submitted with the application should be sent soon after the submission of the application and in any case they must reach the Commission's office (except as provided for in Note under paragraph 4(v) above) within one month after the last date for receipt of applications. Otherwise, the application is liable to be rejected.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them nor should they submit a tampered document. If there is any inaccuracy or any discrepancy between two or more such documents, an explanation regarding the discrepancy may be submitted separately.

5. A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his claim a certificate, in original, with a copy thereof, in the form given below from the District Officer of the Sub-Divisional Officer or any other officer of the district in which his parents (or surviving parent) ordinarily reside, who has been designated by the State Government concerned as competent to issue such a certificate, if both his parents are dead of the district in which he himself ordinarily resides otherwise than for the purpose of his own education.
